

**LED BLUETOOTH®  
SMART BULB + SPEAKER**

Thank you for purchasing our new A19 LED Bluetooth® Smart Bulb + Speaker! Embrace the new style and convenience from Blue Sky Wireless to enjoy your music wirelessly anywhere throughout your home.

**HOW to USE YOUR SMART BULB!**

- Gently install your **LED Bluetooth® SMART Bulb + Speaker** into your preferred lighting fixture.  
Note: this item is meant for lamp fixtures.
- Turn your lighting fixture's appropriate electric power ON.
- Open the Settings in your Bluetooth® enabled smart device and make sure Bluetooth is turned ON.
- Locate the device named **BSW-A19S** and select it. Your smart device will confirm a successful wireless connection.
- Once you have a connection, use your preferred audio/music app to listen to your favorite tunes. Playback will occur through the speaker bulb.

**Model no. 60A19S • Advanced Connect LED Bluetooth® Smart Bulb+Speaker**
